FALL/WINTER

2022/23

**I feel the strong  
wind on my face.**

**The shivers that resurface  
on my skin...**

05

The Fall/Winter 2022/23 Collection of Jhenit Milano speaks about independence, desire to express themselves, will and courage.

## 06

The Jhenit woman has a desire for redemption, resilience and she is very determined, she does not know the impossible word and she fights with every means to overcome the obstacles that she finds on her way.

An energy that in-  
flames my chest.  
I want to live without brakes,  
without measures.

# 13

Tenacious, free and pure like an animal in its natural habitat. She thrives on visceral passions and is not afraid to be herself. She indulges her instincts and lets herself be overwhelmed by emotions: free and proud, like a tiger in the savannah.

# 17

Outfits have been designed to meet all the needs that the woman faces, to dress her in every occasion, from morning to free time, passing through happy hour.

# 20

Our passion for the animalier has a modern and trendy approach that blends perfectly with current fits that respect the trends of the season.

A black and white photograph of a woman with long, wavy hair, looking directly at the camera with a serious expression. She is wearing a light-colored trench coat over a dark, patterned blouse. She is leaning against a tree trunk, with her right hand resting on it. The background is a dense forest with sunlight filtering through the trees, creating a dramatic, high-contrast scene.

**I'll let you run my soul.**

Overcoats with over fitting, coordinated in knit and structured outerwear. Our collection contains the best of the international catwalks, without forgetting the daily & comfy spirit that has always distinguished our brand.

26

We used basically warm colors like: milk, butter, camel; but we also “dared” with bold nuances like electric Blue and lime colors..

For the Fall Winter 22/23 our brand took inspiration from the animal world “stealing” its clothes and shades.

There are many fantasies that recall the animal and nature world, with a slight hint to the ethnic one.
