Fall Winter 2024/25

Here she comes, you'd better watch your step. She's going to break your heart in two it's true

**I'll be your mirror...
reflect what you are**

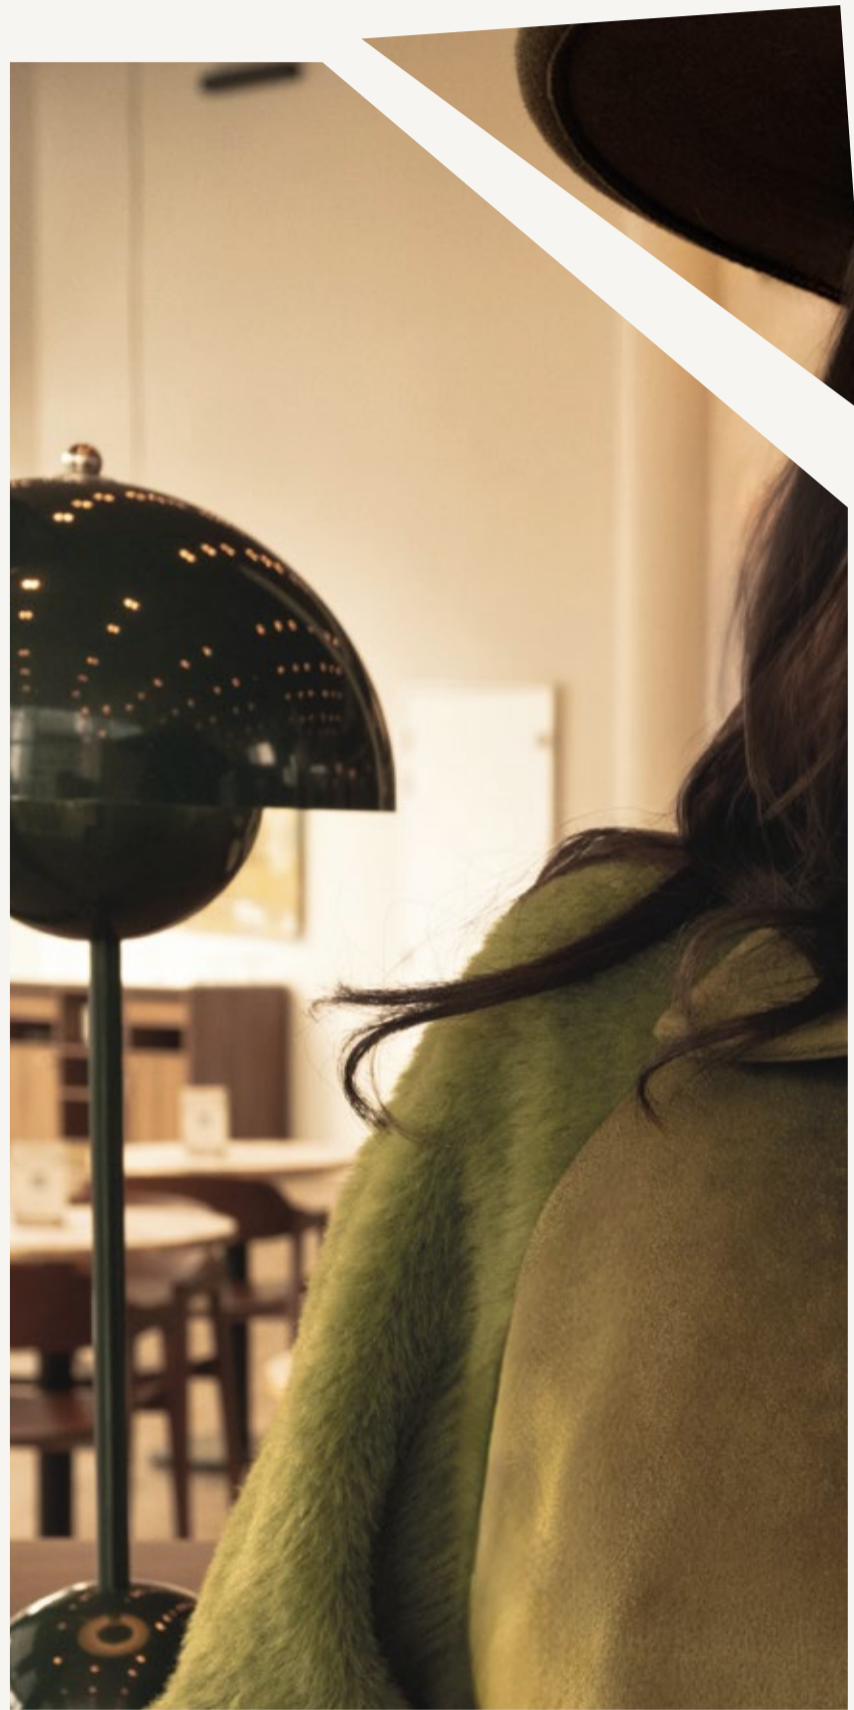

in case you don't know
I'll be the wind, the rain, and the sunset
the light on your door
to show that you're home

**Here comes countdown.
Got my eyes wide open!**

I know she cares about me,
I heard her call my name.
Here come...

I find it hard to believe you don't know the beauty you are...

but if you don't let me be your eyes
a hand to your darkness so you won't be afraid.

Thought of you as my mountain top. Thought
of you as my peak. I've had but couldn't keep.
Linger on your pale blue eyes. If I could make
the world as pure and strange as what I see
I'd put you in a mirror I put in front of me.

014

People running round, it's five o'clock
Everywhere in town it's getting dark
Everyone you see is full of life
It's time for tea and "Meet the Wife"

Somebody needs to know the time.
Glad that I'm here...

Over the hill right now
and you're looking for love
I'll come running to you
honey, when you want me

Would you believe in a love at first sight?

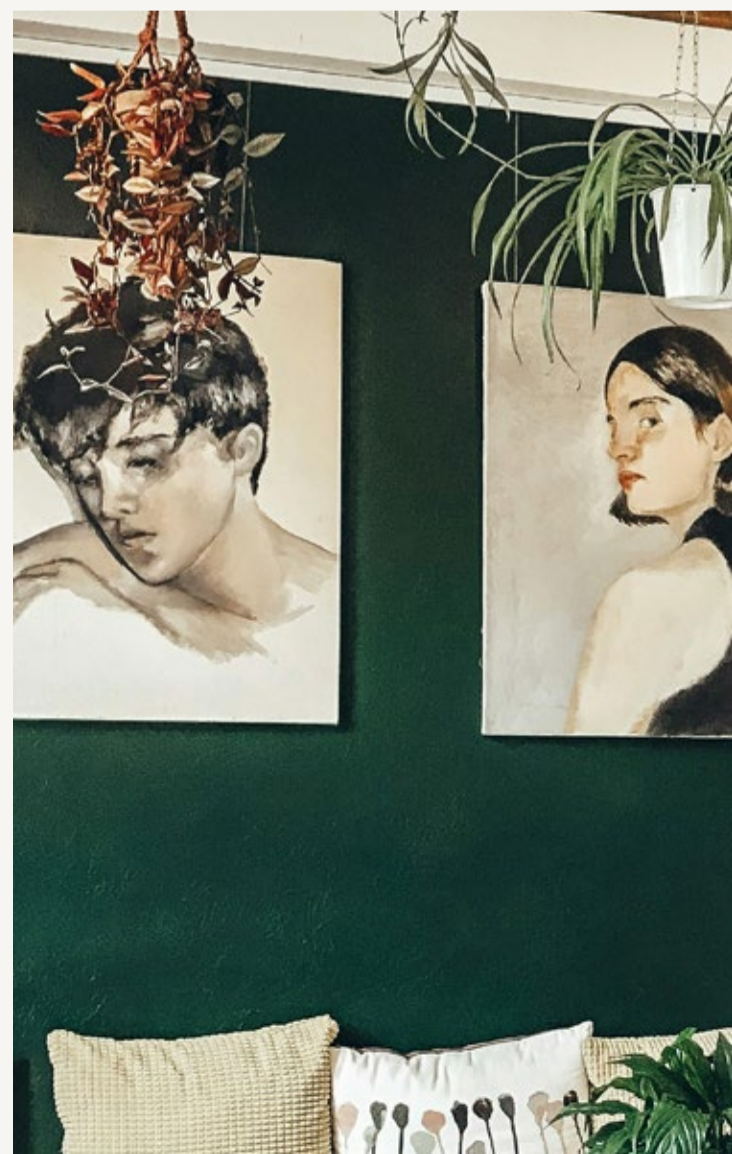

Yes, I'm certain that it happens all the time.

Singin' in the sunshine, laughin' in the rain.

Dancing days are here again
As the summer evenings grow
I got my dress, I got my power

And what costume shall the girl wear to all tomorrow's parties ?

And where will she go and what shall she do when midnight comes around?
And what will she do with Thursday's rags when Monday comes around?

Little boy, she's from the street before you start you're already beat

And where will she go and what shall she do
When midnight comes around?
And what will she do with Thursday's rags
When Monday comes around?

Café va

**The things she does to please...
hear the way she talks
She's a femme fatale**

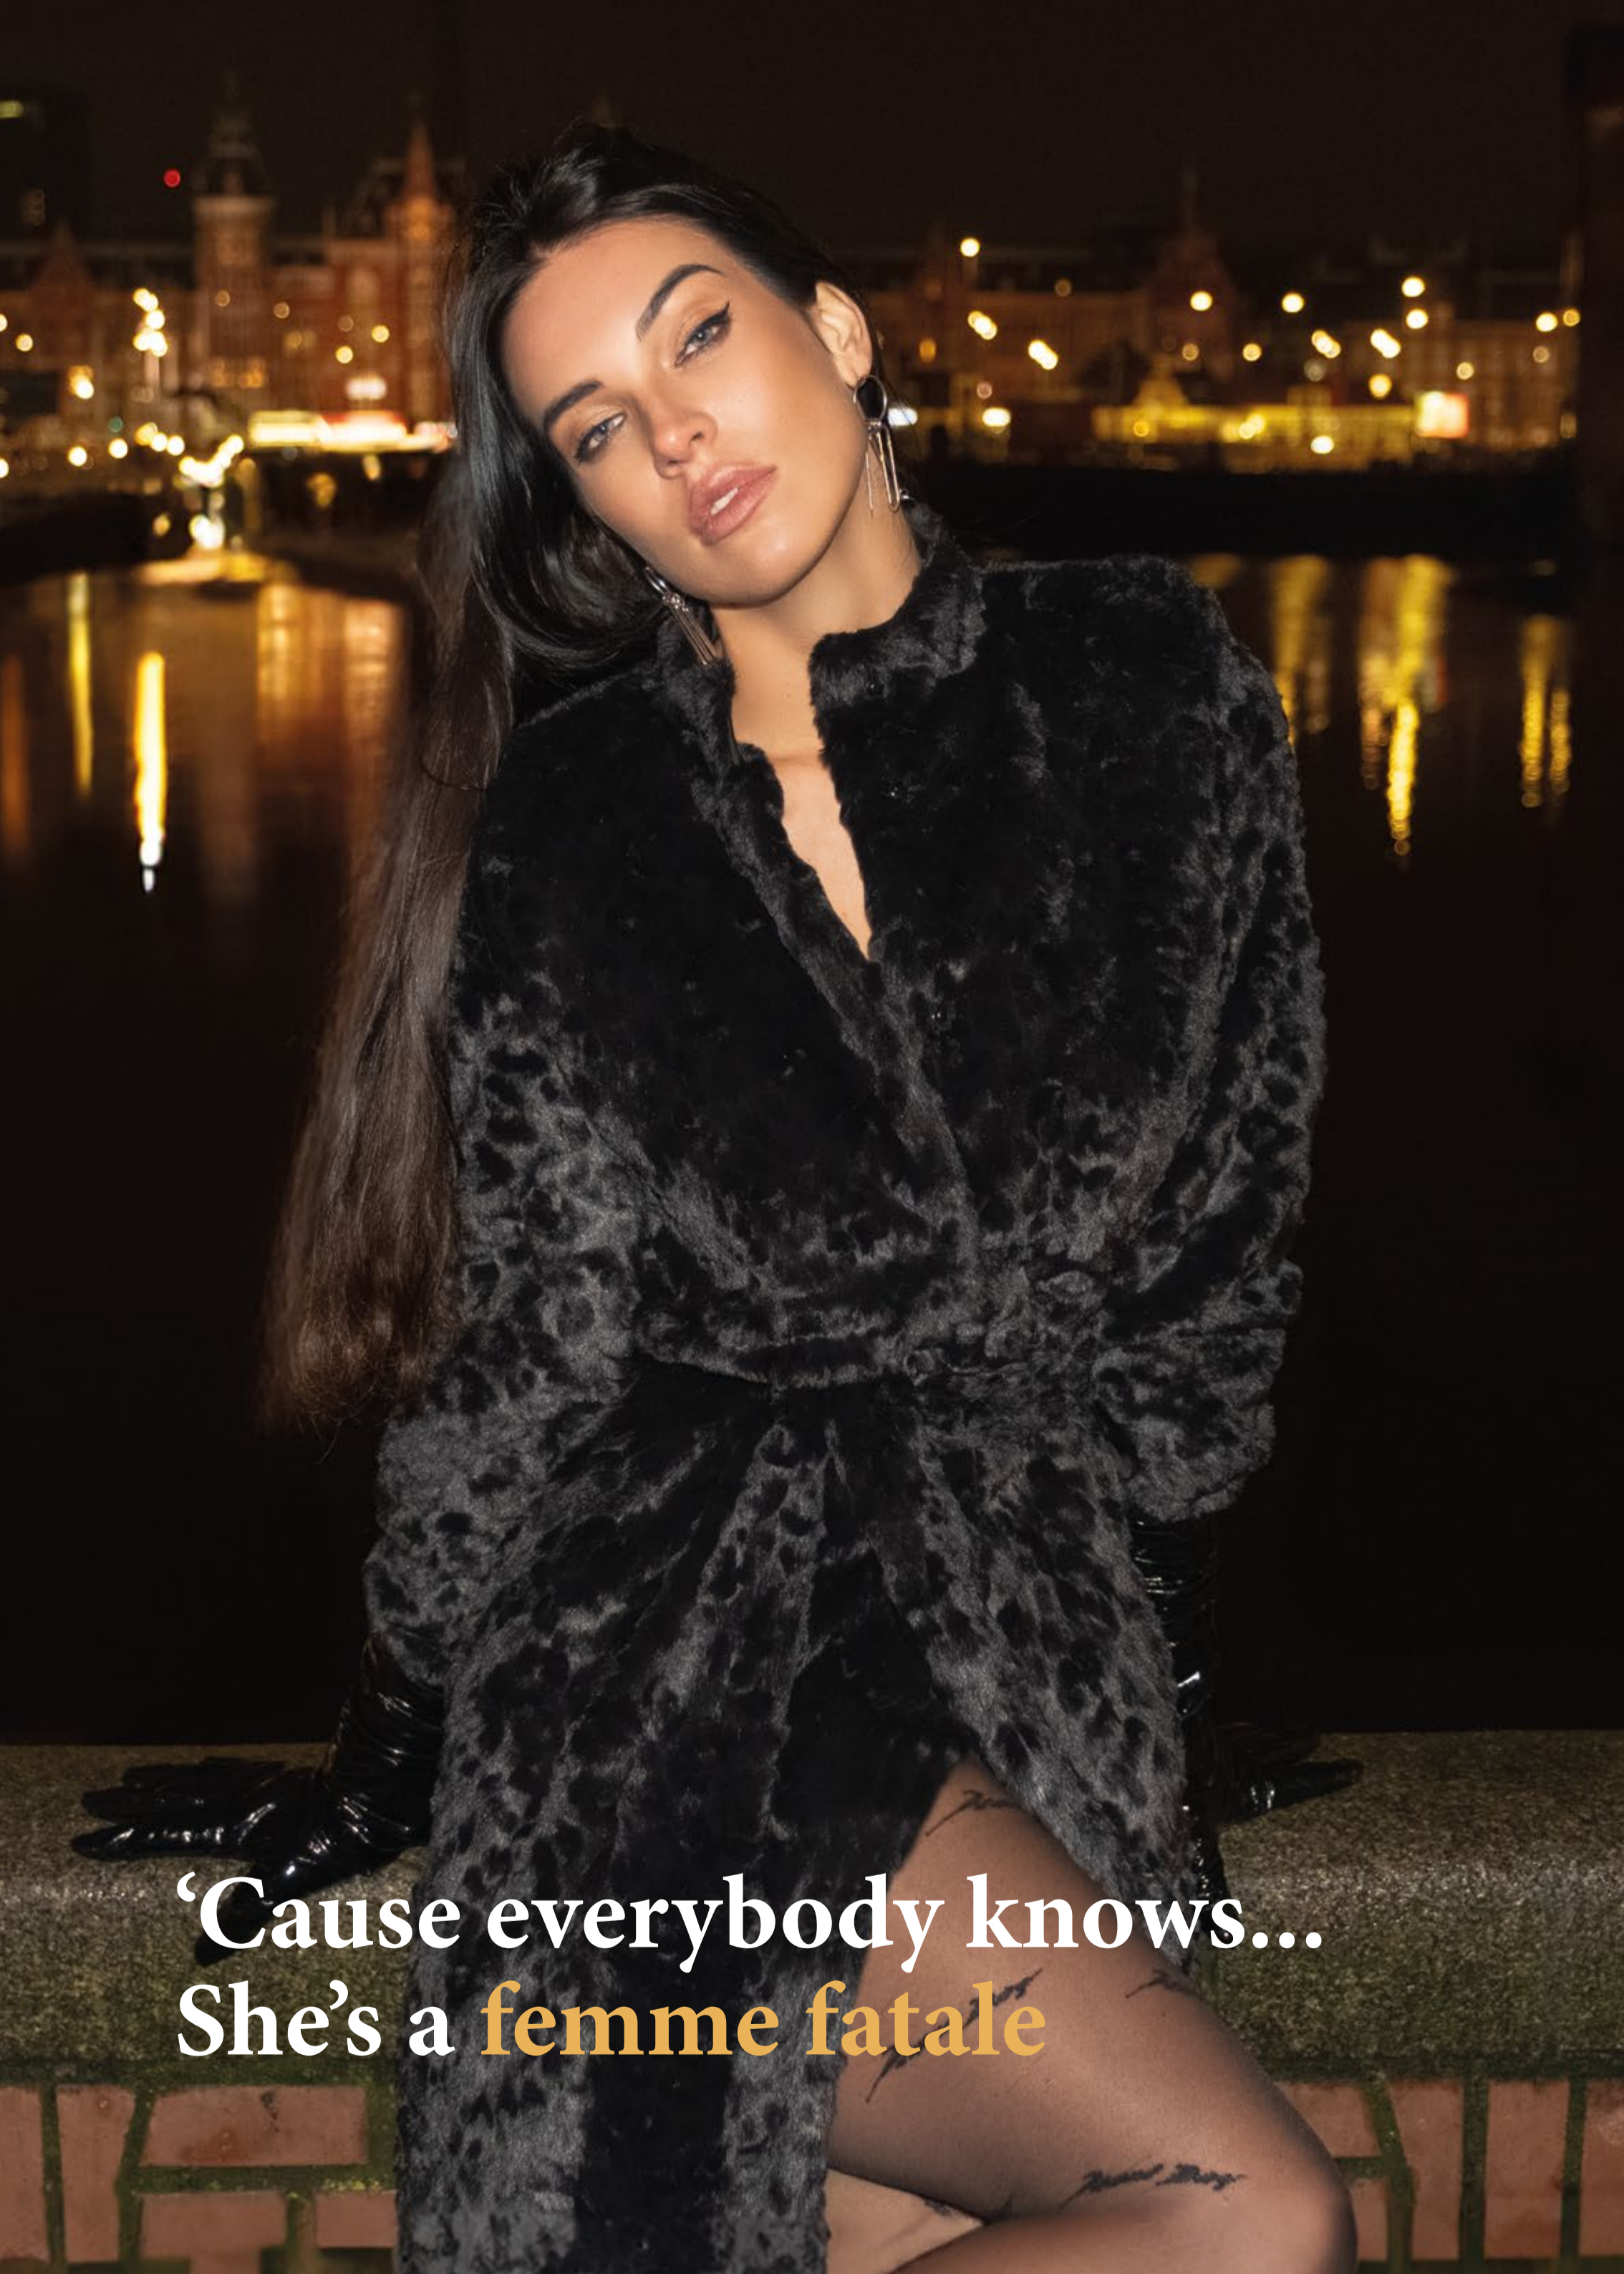

You're written in her book. You're number 37, have a look. She's going to smile to make you frown what a clown. It's not hard to realise just look into her false colored eyes. She'll build you up to just put you down what a clown.

When you think the night has seen your mind that
inside you're twisted and unkind
Let me stand to show that you are blind please put
down your hands 'cause I see you

‘Cause everybody knows...
She’s a **femme fatale**
